I am interested in becoming an active member of the Friends.

I am interested in serving on the Advisory Council of the Friends organization.

I understand that most terms are three years in length, that the Council meets quarterly, and that Council members assist with fundraising activities and service events associated with gallery programming and the permanent collection.

I am interested in volunteering to assist with the ARTCLICKS! annual free arts day.

I understand I will be contacted by a committee chairman, that I will have a choice of tasks, and that my volunteer time will not be remunerated or qualify as tax-deductible in-kind service.

I am I am not currently a member of the Friends of the Gallery
