**ARTclicks! Concludes Second Year of Programming**

Thanks to Art Education Professor Dr. Deborah Kuster for creating another great year of online lesson plans and resources for north-central Arkansas teachers and students. This year's program included a Professional Development Workshop based on the Baum Gallery exhibits by Julie Blackmon (*Fantastic Realities*) and Kat Wilson (*Habitats*). ARTclicks! members and friends are completing an evaluative survey that will help determine future programming; information will be available on the Baum Gallery website: [www.uca.edu/art/baum](http://www.uca.edu/art/baum). The program has been sponsored by the Friends of the Baum Gallery, UCA Foundation, Inc. with support from the UCA Department of Art.

Thank you for your support!
