Portfolio III/BFA Senior Student Exhibition
Mailing List and Home Town Form

Please list your hometown (where you grew up) so we can send an announcement to the local paper in that area: do not list Conway unless it is where you grew up.

BA/BFA students design an invitation card for their show; each student can provide up to 20 names/addresses to the Baum Gallery for inclusion in the bulk mailing of the cards. The design file is due one month prior to the exhibition; mailing information is due 3 weeks prior.
