

## UNIVERSITY COMMITTEE PREFERENCES

Hundreds of faculty members at UCA volunteer their time to participate in the shared governance of this university. Without their efforts, UCA would not be able to function. Every year, the Faculty Senate must appoint faculty to various university standing committees. The Faculty Senate charges the Committee on Committees to nominate faculty for these positions. The Committee on Committees makes every effort to match faculty to positions based on their interests and expertise. To help us do so, please complete the following survey. It will only take a minute. Thank you for your help.

SEND COMPLETED SURVEYS TO: Lynn Burley, [lburley@uca.edu](mailto:lburley@uca.edu), THOMPSON 337

Note: Your responses to the survey do not constitute your agreement to serve on any particular committee. You will be asked about your willingness to serve on a committee prior to your nomination.
