The providers listed in this brochure were participating with the plan at the time of printing. Please check with the doctor of your choice or call our Customer Care department at 1-800-749-5855 when making your appointment to make certain he or she is currently a member doctor. You may visit our website at www.combenefits.com for a nationwide listing of providers.

If you receive service from a provider who does not participate in the plan, you will receive reimbursement according to the non-panel reimbursement schedule established by your group.
