 - Adobe Reader
 - Safari, Internet Explorer 5 or FireFox
 - Roxio Toast
 - Adobe Contribute
 - Adobe InDesign
- *OpenOffice is free; X11 must be installed

LIBRARY MEDIA & INFORMATION TECHNOLOGIES PROGRAM recommends that each student purchase a computer for use while participating in the LIBM graduate program. Over 90% of the classes for the program are presented in an online format. Faculty are more than willing to discuss technology needs with advisees and to provide guidance when looking to purchase hardware and/or software.
