# THE CENTER FOR TRAINING AND CONSULTING SERVICES

[www.uca.edu/outreach/ctcs](http://www.uca.edu/outreach/ctcs)

The Center for Training and Consulting Services (CTCS) offers Arkansas businesses a unique combination of applied research and consulting skills, industry-specific expertise, and knowledge of proven methodologies. CTCS provides a team of diverse backgrounds and skills of University faculty, staff, and community experts and we will work one-on-one with you to tailor a comprehensive integrated solution to meet your organization's needs and achieve your goals!

## WHY CTCS?

- Improve Processes
- Increase Productivity
- Improve Quality
- Increase Competitiveness
- Improve organizational morale and professional development

## Benefits of training through CTCS:

- Times, dates, locations, and formats that accommodate your schedule.
- Course content, exercises, and materials created specifically for application to your organization's needs.
- Program development, coordination, and evaluation administered by our professional staff.
- Faculty and training specialists who collectively have worked with hundreds of organizations of all types and sizes and who have proven their teaching abilities at Academic Outreach's public programs.
- Customized training at your site or ours.
- Most importantly, receive training with measurable results and significant cost SAVINGS!!!

## Provide more training with an EWTP Grant

The Existing Workforce Training Program (EWTP) provides financial assistance to Arkansas's businesses and eligible consortia of businesses for upgrading the skills of the existing workforce.

## The training helps a company and it's employees to:

- Adapt to new or altered technologies of management and supervisory systems, continuous improvement or production needs.
- Acquire the new skills needed to remain competitive, productive and economically viable.

Contact CTCS for more information on the EWTP Grant and how we can help you apply!

CTCS works with companies of all sizes.

Call (501)450-3460 to schedule your FREE consultation.
