

SECTION A: INTRODUCTION

University of Central Arkansas
Professional DPT Curriculum
COURSE SEQUENCE

1st Fall Semester (17 credits)

PTHY 5505 Gross Anatomy
PTHY 6316 Therapeutic Agents
PTHY 6305 Fundamental Skills in PT
PTHY 6401 Kinesiology I
PTHY 7205 Professional Issues in PT

1st Spring Semester (18 credits)

PTHY 6501 Neuroscience
PTHY 6402 Kinesiology II
PTHY 7203 Patient Management I
PTHY 6405 Therapeutic Exercise
PTHY 5370 Pathology I

1st May Intersession (2 credits)

PTHY 7228 Clinical Practicum I (5 weeks)
May 17-June 18, 2010

1st Summer Semester (12 credits)

PTHY 6314 Neurophysiological Principles of
Motor Control
PTHY 6340 Research Design
PTHY 5406 Human Physiology
PTHY 7208 Patient Management II

2nd Fall Semester (17 credits)

PTHY 7515 Neuromuscular PT: Infancy to
Adolescence
PTHY 7516 Neuromuscular PT: Adult
PTHY 7505 Musculoskeletal PT I: Extremities
PTHY 6240 Pathology II

2nd Spring Semester (16 credits)

PTHY 7410 Neuromuscular PT: Complex
PTHY 7405 Musculoskeletal PT: Spine
PTY 7520 Cardiopulmonary Principles and
Practice
PHIL 5350 Healthcare Ethics

2nd Summer Semester (12-15 credits)

PHTY 7408 Clinical Electrophysiological
Interventions
PTHY 6336 Psychosocial Aspects of Disability
PTHY 6353 Independent Studies
PTHY 7210 Integumentary System: Principles
and Practice
Elective (1st option*)

3rd Fall Semester (13-16 credits)

PTHY 7328 Clinical Practicum II (8 weeks)
PTHY 6424 Clinical Administration and
Management
PTHY 7303 Differential Diagnosis
PTHY 6250 Pharmacology in PT
PTHY 7106 Educational Roles in PT
Elective (2nd option*)

3rd Spring Semester (10 credits)

PTHY 7528 Clinical Practicum III (10 weeks)
PTHY 7529 Clinical Practicum IV (10 weeks)

3rd Summer Semester (6 credits)

PTHY 7530 Clinical Practicum V (10 weeks)
PTHY 7109 Outcomes Assessment in PT

TOTAL CREDITS = 126

TOTAL WEEKS CLINICAL EDUCATION = 43

* Electives – minimum of three credit hours are
required
