

EAST ARKANSAS COMMUNITY COLLEGE

COURSE COMPATIBILITY WITH UCA

NOTE: Courses that are not specifically listed may be accepted as elective credit. A minimum C grade is normally required. See UCA's institutional policy for transfer of credit. Accrediting, licensure, or certifying agencies may prevent the University from accepting work from two-year institutions that is upper division work at UCA. Transfer credit is designated by the level at which it is earned. Transfer credit earned while on academic suspension will not be accepted at UCA.

Transfer courses may require validating for use in some majors and/or minors. Contact the Chair of the major and/or minor department at UCA for further details.

KINESIOLOGY AND PHYSICAL EDUCATION

All students transferring a comparable two-year college course to our KPED 2300 will be responsible for making arrangements to take the UCA major Fitness Test which is normally administered in KPED 2300.

NOTE: The KPED Department will agree that the activity courses can be used to meet UCA General Education requirements. In the case of KPED majors, we will accept up to four one-hour courses in lieu of two for our two-hour theory and practice courses-this is on a two to one ratio. We will also accept proficiencies from the two-year college if we are notified in writing by the instructor or the department chairperson that they consider the student proficient in those activities.
