

Notification of Arkansas Course Transfer System
(Act 472 of 2007)

As part of the academic advising process, Arkansas law (Act 472 of 2007) requires that we notify you of the following matters:

1. A very important part of beginning your college career is academic advising. Your advisor, the advising center, and the university desire to provide as much information to you as possible concerning courses and other matters related to your academic endeavors.

2. The Arkansas Department of Higher Education, in conjunction with the public colleges and universities in the state, has developed the Arkansas Course Transfer System (ACTS). This is a postsecondary education resource service that provides comparable course information to facilitate student transfer within Arkansas public colleges and universities. The ACTS database contains faculty-generated comparable course information for a number of courses offered at public institutions in Arkansas. Comparable courses within ACTS are guaranteed to transfer for full credit to any Arkansas public institution.

ACTS provides information regarding guaranteed transfer of courses between Arkansas public institutions. ACTS is beneficial for students, parents, and academic advisors because it provides accurate, up-to-date comparable course information for educational planning and informed decision-making.

To use ACTS visit the Arkansas Department of Higher Education website at <http://www.adhe.edu> or call the academic advising center at UCA for more information on how to use ACTS.
