

Dear Prospective Applicant,

We are pleased that you are interested in the University of Central Arkansas Speech-Language Pathology Master's Degree Program. Enclosed you will find the following application materials:

- 1) Checklist for Application Process
- 2) Departmental Application Form
- 3) Recommendation Form
- 4) Departmental Application form for Assistantship/Traineeship

I strongly encourage you to use the checklist to assist you with the application process. Application materials for admission ***must*** be received in both the UCA Graduate School and the UCA Department of Speech-Language Pathology by the deadline of February 1, 2012. You can check to ensure that completed materials have indeed been received, and the best way to do this is by email. Contact Dr. Robert Logan at rlogan@uca.edu

We do not begin to review applications until the application deadline. Decisions about admission are made after all applications are reviewed. Each application is reviewed in its entirety, independently, by at least two members of the faculty in the Department of Speech-Language Pathology. Recommendations are then made by the Graduate Committee to the entire faculty, discussion ensues, and finally decisions as to admissions are made.

We complete the application review process by the middle of March. You can expect to hear about the status of your application soon after that.

If you would like to schedule a visit to our campus, feel free to contact me. We look forward to hearing from you, and thank you again for your interest in our program.

Best Regards,

Dr. Robert Logan, Ph.D., CCC-SLP, CCC-AUD

Chair, Graduate Admissions Committee
