

## **CPT: Computerized Placement Testing**

CPT testing is offered to students who did not score a 19 or higher on the ACT subtests of English, reading, or math (or at least a 460 on the SAT verbal and/or math). CPT is mandatory for all non-traditional students (first-time freshmen age 21 and older) who have not provided ACT or SAT scores.

The cost is \$5 per test, payable by cash or check only at the time of testing. Testing will take place in Torreyson West room 315.

The tests are not timed, but generally each test takes approximately 30-45 minutes to complete. All CPT testing must be completed before an incoming student meets with his/her advisor to register for classes.

Students taking CPT testing must also provide a valid photo ID. Acceptable forms of ID include:

- Government-issued photo ID (ex. driver's license)
- Current high school photo ID
- Current high school yearbook containing individual student photo

Please contact the Testing Office at (501) 450-3209 in order to schedule an appointment or if you have any questions.
